REAL ESTATE GIMME SHELTER

Fisher Brothers, Witkoff and New Valley celebrated the topping out of 111 Murray St. with a private celebration Wednesday — where attendees in hard hats snagged the first views from the top of the 800-foot Tribeca building.

Over-the-top amenities include a concierge jet service, a hammam and a Drybar hair salon that will do in-home blowouts along with more common luxury amenities, including a gym and a lap pool.

The building is 70 percent sold with move-ins set for 2018.

Lauren Witkoff, executive vice president of sales and marketing for Witkoff, Fisher Brothers' Winston Fisher and Douglas Elliman honcho Howard Lorber were at the event.
