111 Murray Street's Facade Nearly Complete, Tribeca

111 Murray Street to left of One WTC, photo by Streetscaper

BY: NIKOLAI FEDAK 7:30 AM ON AUGUST 8, 2017

In the southern bounds of Tribeca, to the southwest of the already-completed 56 Leonard, another major tower is nearing the finish line. 111 Murray Street has been topped-out for several months, and now its cladding is following, reaching about fifteen floors below the skyscraper's pinnacle. The latest [photo of progress](#) comes from YIMBY Forumer Streetscaper.
