

## \$40M Penthouse – One of the Most Expensive Properties in Manhattan – Is Up For Sale in New Luxury Tribeca Skyscraper

By [Jennifer Vazquez](#) Wednesday, Aug 22, 2018

Have \$40 million dollars at your disposal? Well, you're in luck! A penthouse in a new 64-story condominium building in Tribeca that recently completed construction is more than ready to welcome its first set of residents.

111 Murray, which was developed by Fisher Brothers, Witcoff and New Valley, has a luxury penthouse unit available among the 157 apartments that comprise the 792-foot-tall residential tower. [According to Curbed NY, it is also one of the most expensive properties in Manhattan.](#)

The property is listed with Douglas Elliman Real Estate. For more information, [click here.](#)
